

Yellow and Green

Music by Dr. C. S. Putnam
Words by A. E. Minard

Ho! A cheer for green and yel-low, up with yel-low and the green. They're the

shades that deck our prair-ies, far and wide with glor-ious sheen. Fields of

wav-ing green in spring-time, gold-en yel-low in the fall, how the

great high arch-ing hea-ven looks and laughs up-on it all.
